Expectations and Contributions

MEYBE

Registered Expectations (1/2)

- ➢ Same as agenda ;-). To be useful and practical.

- ➢ **Experience sharing** on LLC: successes & failures, different examples and experiences on Nexus, links LLC & Governance/Cluster Green, as well as practical tools for LLC in fragile/authoritarian contexts/contexts with shrinking space for CSOs.

- ➢ **Networking**: with colleagues (introduction, collaboration, synergies) + know the Governance network

- ➢ **Guidance on LLC** & its strategic implications

- ➢ **Context**(s): deepen joint understanding

- ➢ Develop a **joint roadmap**

- ➢ **Risk Management**: how to ensure compliance while promoting LLC

Registered Expectations (2/2)

Standalone expectations:

➢ Global urban migration portfolio: contextualise its Asian part

➢ Learn about governance and decentralisation in (Central) Asia

Process-related expectations:

➢ Land with **concrete and transferable outcomes**

➢ To have inclusive/open discussions

➢ Invite creative destruction to enable innovation

➢ **Be ready: to construct together** (we don't know everything already) **and to lose control** - not knowing the outcomes (content) of all sessions.

Registered Contributions (1/2)

- ➢ Showcase projects:
  - **Mekong Inclusive Water Governance Project**, including locally-led solutions, addressing challenges in civic space and climate resilience, contributing to regional learning and action
  - **Bangladesh Governance programme with CSOs**, including experience of the thinking and working politically (TWP) approach.
- ➢ Embedding topics of Cluster Green (CG) / Section Water; ensure communication and sharing of results among **RésEAU**/CG constituencies.
- ➢ Working with **Ethnic actors** on service provision and system strengthening
- ➢ Introduce the SDC goals and **guidance on LLC**
- ➢ **Urban and city perspectives**, highlighting connections with **migration, human rights**

Registered Contributions (2/2)

Process-related contributions:
